

## A Responsible & Focused Corporate

As a socially and environmentally committed corporate, with focused responsibility towards value creation for all stakeholders, Hindustan Zinc stands out as an organization rooted in business excellence.

### Hindustan Zinc in a nutshell

India's only and the world's leading zinc-lead-silver producer, Hindustan Zinc is an industry leader with over five decades of experience and expertise in mining and smelting. The Company is a fully integrated player with strong focus on holistic value delivery across its stakeholder fabric. With its sharp strategic thrust on continuous evolution in an ever-transforming business environment, Hindustan Zinc has a powerful edge that drives its growth and expansion.

Headquartered in the mineral-rich belt of Udaipur in Rajasthan, Hindustan Zinc has a workforce spread across the sites of its mining and smelter operations, strategically located in the state. An installed base of 485.5 MW of our coal-based captive power plant coupled with our green power capacity including 40.42 MW of solar power and 35.27 MW of WHRB ensures our power sufficiency. Moreover, our plans to revamp turbines in the future will further aid to our self-sufficiency in power.

Technology and innovation are the key propellers of our unprecedented growth, while people safety and natural resource conservation are the mantras of our holistic value proposition.

Hindustan Zinc is a subsidiary of the BSE and NSE listed Vedanta Limited (ADRs listed on the NYSE), which is a part of Vedanta Resources Plc, a global diversified natural resources company. Vedanta Limited owns 64.9% stake in the Company while the Government of India retains a 29.5% stake.
