Invitation to Set Up Business Units/Facilities Near Hindustan Zinc Operations

Vedanta, an owner-driven global critical minerals and energy company, with \$30bn in Revenue and \$7bn in Profit contributes 1.4% to India's GDP powered by a workforce of over 100,000 people.

Hindustan Zinc Limited stands as the world's largest integrated zinc producer and ranks among the top ten global silver producers. For the third year in a row, it has been recognised as the world's most sustainable metals and mining company by the S&P Global Corporate Sustainability Assessment 2025. In 2025, Hindustan Zinc also became the first Indian company to join the prestigious International Council on Mining & Metals (ICMM). With a strong people-centric philosophy, the company continues to champion diversity, inclusion and a thriving workforce culture.

In partnership with RIICO, Hindustan Zinc Limited is developing the **world's first integrated Zinc Park** in Bhilwara, Rajasthan, as a globally competitive ecosystem for zinc-based downstream manufacturing and allied industries. The initiative aims to drive regional industrialization, generate employment, and strengthen domestic value addition through robust infrastructure and sustainability-led design.

As part of this vision, Hindustan Zinc invites Expression of Interest from reputed businesses, entrepreneurs, and startups to establish manufacturing units near its operations in Rajasthan. Partners should demonstrate sound governance, regulatory compliance, and operational capability. The initiative aims to promote localized manufacturing, support MSMEs, create employment, and drive long-term economic development through a future-ready zinc manufacturing ecosystem.

Areas of interest include:

- Manufacturing of consumables, chemicals, and industrial inputs
- Machinery and equipment manufacturing
- Production of spares and mining/smelting components
- Repair and maintenance services for heavy equipment
- Other downstream and support services aligned with operations

HZL seeks partners committed to innovation, sustainability, and contributing to the growth of the local industrial ecosystem.

Interested parties having relevant experience and resources may submit their Expression of Interest on or before 25th May 2026. To submit, visit <https://www.hzlindia.com/vendor-zone> and click on the corresponding link in the open tenders tab.
