HINDUSTAN ZINC
Zinc & Silver of India

Inviting Expression of Interest

Global Junior Explorers for Exploration & Development of Green Field Exploration License (EL), Composite License (CL) in India and Overseas

Vedanta is a $30bn revenue and $10bn in profit organization and further plans to invest $20bn in 4-5 years in the expansion of its brownfield and some greenfield capacity of Oil & Gas, Renewable Energy, Display Glass, Semiconductor, Mining and Smelting. Vedanta is one of the leading players in the market and each of its businesses will have an average of 10,000 highly qualified talent.

Hindustan Zinc Ltd (HZL), a subsidiary of Vedanta Limited in the Zinc-Lead-Silver-Wind Energy business and recognized as the world's most sustainable metals & mining company for the second consecutive year by the S&P Global Corporate Sustainability Assessment 2024, invites expression of interest from global junior explorers for exploration and development of green field exploration license, composite licence for Vedanta in India and overseas.

Expectations:

- To execute auction won composite licences by securing statuary clearance including forest clearances, land consents, licence deed execution, Bhu-Pravesh and close liasioning with concern state agencies such as DMG/DGMs/MoM.
- To conduct fully integrated, end-to-end exploration activities with the necessary technical expertise and subject matter knowledge, aimed at identifying and discovering economic mineral potential in composite licenses for Base metals, Copper, Gold, Nickel-Chrome, Cobalt, PGEs, Graphite and Vanadium for Vedanta, to accelerate the growth of mineral resources and reserves inventory.
- Leverage advanced technologies, including AI/ML, on surface and sub-surface geological, geophysical, and geochemical techniques to identify exploration drilling targets. Execute and manage related activities such as liaising geological and geophysical mapping, target generation, 3D geological modelling, reporting, drilling, logging, sampling, assaying, database management, ore body interpretation, and mineral resource & reserve estimation.

Interested partners having relevant experience and resources may submit their expression of interest on or before 18th February 2025. To submit visit https://www.hzlindia.com/vendor/ and click on the corresponding link on the open tenders tab.
