

Leading the Way in Zinc, Silver and Lead Production

Presenting the World's Most Sustainable Metals and Mining Company*

About Hindustan Zinc Limited

Hindustan Zinc Limited (BSE: 500188 and NSE: HINDZINC), a Vedanta Group company, is the world's largest integrated zinc producer and among the top 5 silver producers globally. The company supplies to more than 40 countries and holds a market share of about 77% of the primary zinc market in India. As a world leader in the metals and mining industry, Hindustan Zinc is pivotal in providing critical metals essential for the global energy transition for a sustainable future.

World's largest integrated zinc producer and among the top 5 silver producers globally

First Indian company to join the prestigious International Council on Mining and Metals (ICMM) in 2025

World's most sustainable metals & mining company for the third consecutive year

Over 59 years of Excellence in Mining and Smelting

World's Largest Single Location Zinc-Lead Smelter at Chanderiya, Rajasthan

World's Largest Zinc Mining Operations at Rampura Agucha, Rajasthan

Key Features:

High Purity

Upto 99.99% LME certified pure zinc

Versatility

Galvanized and die-casted in automotive, infrastructure, sunrise sectors, etc

Benefits

Enhances durability, strength and longevity of materials

Corrosion Resistance

Zinc's corrosion resistance protects steel from rust and extends product life in tough environments

Zinc Product Portfolio

Developed customized zinc alloys for improved performance

CCG (Continuous Galvanising Grade) Jumbo 1 Ton Bundle

SHG (Special High Grade) 25 Kg | Ton Bundle

SHG JUMBO 1 Ton Bundle

PW (Prime Western) 25 Kg | Ton Bundle

HG (High Grade) 25 Kg | Ton Bundle

HZDA3 (Hindustan Zinc Die-Casting Alloy 3) 9 Kg | Ton Bundle

HZDA5 (Hindustan Zinc Die-Casting Alloy 5) 9 Kg | Ton Bundle

Jumbo HG (High Grade) 1 Ton Bundle

Our Low Carbon Green Zinc EcoZen[®]

Asia's first-ever low-carbon special high-grade zinc with a carbon footprint about 75% lower than the global average

LEAD

A versatile metal used in batteries, construction, and radiation protection

Refined Lead 25 Kg | 1 Ton Bundle

Key Features:

High Purity

Upto 99.99% LME certified pure lead

Applications

Automotive batteries, pigments, cable sheathing

Benefits

Highly ductile, malleable & corrosion-resistant metal and can be used in die-casting applications

Sustainability and Environmental Commitment:

Safe and Eco-Friendly Metal Manufacturing

SILVER

Precious metal with applications in solar, nanotechnology, silverware, and AI

Silver Bar –
30 kg

Mini Silver
Bars – 1kg

Silver
Powder

Sustainability and Environmental Commitment:

Silver at our Pantnagar Plant is made from 100% Green Power

Key Features:

High Purity

Upto 99.9% LBMA certified pure silver

Applications

Silver powers electronics, AI, nanotech, biotech, and supports global energy transition

Benefits

This precious metal's excellent conductivity enables diverse uses

Hindustan Zinc Limited

High Quality backed by manufacturing excellence

Sustainability Initiatives

Global Presence

Customer Technical Services & Centre of Excellence

Strong Customer Technical Services Cell

Customized Value-Added Products

Access to cutting edge R&D

Best practices at our Centre of Excellence

Best in class national and international quality certifications

A revolutionary buying experience through Vedanta Metal Bazaar

Fully Integrated Operations

Exceptional Supply Chain Reliability

As a fully integrated producer, Hindustan Zinc operates underground zinc-lead mines, hydrometallurgical and pyrometallurgical smelters, and captive power plants in Rajasthan. The company also manages a silver refinery in Pantnagar, Uttarakhand. With mines strategically located near its smelters and power plants, Hindustan Zinc's robust and efficient supply chain ensures a steady supply of critical metals to markets worldwide.

Mines

- Rampura Agucha Mine
- Sindesar Khurd Mine
- Rajpura Dariba Mine
- Zawar Group of Mines
- Kayad Mine

Smelters & Refinery

- Chanderiya Smelting Complex
- Dariba Smelting Complex
- Zinc Smelter Debari
- Pantnagar Metal Plant

Depots

- Hyderabad, Pune, Chennai, Kolkata, Jamshedpur, Faridabad, Bengaluru, Raipur

Best In Class Certifications

S&P Global Corporate Sustainability Assessment

Ranked 1st in Metals & Mining Sector as of 31st December 2024

National Accreditation Board for Testing and Calibration Laboratories

Assured quality through reliable testing, measurements, and calibrations with sound and technically competent quality systems

BIS Certified Bureau of Indian Standards (BIS)

Zinc and Lead product meets BIS Quality Compliance for assured quality and reliability

REACH - Registration, Evaluation, Authorisation & Restriction of Chemicals

Certification allows exports in Europe

Environmental Product Declaration

A document providing transparent, comparable data on product's environmental impact

ISO 9001: 2015: Quality Management System

Strives to exceed customer expectations and demonstrate our commitment to quality by ensuring effective processes and trained people to deliver flawless products
