Hon'ble Union Minister Shri G. Kishan Reddy Visits Rajpura Dariba Complex

Showcasing India's technologically advanced underground mining and sustainable operations

POWERING
VIKSIT BHARAT

WARM WELCOME

Hon'ble Minister was warmly welcomed by our leadership team at Rajpura Dariba Complex.

EXPLORING SINDESAR KHURD MINE

Visited the highly mechanised and automated Sindesar Khurd underground mine.

DIGITALLY ADVANCED OPERATIONS

Witnessed our technology-led, safety-first underground mining and smelting operations.

INTERACTION WITH WOMEN LEADERS

Engaged with our women leaders and India's first all-women mine rescue team.

Hindustan Zinc hosted Shri G. Kishan Reddy, Hon'ble Union Minister of Coal and Mines, Government of India, at its Rajpura Dariba Complex in Rajasthan. The visit included the Sindesar Khurd Mine, one of the world's largest silver-producing underground mines, and the state-of-the-art Dariba Smelting Complex.

The visit highlighted the critical role of the mining and metals sector in supporting India's infrastructure development, manufacturing growth, energy transition, and the supply of essential raw materials for emerging technologies.

“

Hindustan Zinc's operations reflect how the country's mining sector is evolving into a modern, responsible and technology-driven growth engine for the nation. Its integrated tech-first mining-to-metal capabilities, focus on safety, innovation, diverse workforce and community development demonstrate the kind of self-reliant industrial ecosystem envisioned by Hon'ble Prime Minister Shri Narendra Modi.

”

The company's leadership team and the Hon'ble Minister reviewed technology-led mining and smelting operations, safety systems, remote-controlled equipment and sustainability initiatives. He also witnessed a demonstration by India's first women mine rescue team.

The Hon'ble Minister further reviewed Hindustan Zinc's flagship CSR programmes, including Sakhi, Shiksha Sambal and Zinc Football, and interacted with beneficiaries of the Unchi Udaan programme. Discussions focused on responsible mining, mineral security and strengthening domestic value chains for India's growth.

STRONGER PERFORMANCE. SUSTAINABLE IMPACT. SHARED VALUE.

FY26 has been a year of record performance, operational excellence and purposeful progress towards a sustainable future.

FY26 AT A GLANCE

Mined Metal Production
1,114 KT
Highest-ever

Refined Zinc Production
851 KT
Best achieved

5-year lowest Zinc COP*
\$959
per tonne
Better 9% YoY

Revenue
₹ 40,844
Crore
Up 20% YoY

EBITDA
₹ 22,162 Crore
Up 27% YoY

Net Profit
₹ 13,832 Crore
Up 34% YoY

Contribution to Exchequer
₹ 19,000 Crore
Including ~₹ 6,000 Crore to Rajasthan

* Cost of production (COP) is excluding royalty

From strong financials to sustainable impact – we are shaping a **better, smarter and stronger tomorrow.**

RAMPURA AGUCHA MINE AND CHANDERIYA SMELTER ACHIEVE INDIA'S FIRST ZINC MARK CERTIFICATIONS

Hindustan Zinc has achieved two major milestones in responsible production under the globally recognised Zinc Mark framework, with its Chanderiya Lead Zinc Smelter becoming India's first Zinc Mark certified smelting site and Rampura Agucha Mine the world's largest underground zinc-lead mine – becoming India's first Zinc Mark certified mine.

These certifications validate adherence to internationally benchmarked environmental, social and governance (ESG) standards and reinforce Hindustan Zinc's commitment to responsible, transparent and sustainable zinc production across the value chain. The achievement further strengthens the company's position in global markets increasingly focused on traceable and responsibly sourced materials.

HINDUSTAN ZINC JOINS DOW JONES BEST-IN-CLASS INDEX 2026 FOR EMERGING MARKETS

Hindustan Zinc has been included in the Dow Jones Best-in-Class Index 2026 for Emerging Markets, reflecting its leadership in sustainability, governance and long-term value creation.

This recognition reinforces our commitment to operational excellence, responsible business practices and delivering sustainable growth for all our stakeholders.

INDIA'S FIRST

Chanderiya Smelter achieves Zinc Mark certification

INDIA'S FIRST

Rampura Agucha Mine achieves Zinc Mark certification

GLOBAL BENCHMARKS

Certified under the Zinc Mark framework for responsible production

BUILDING TRUST, SHAPING THE FUTURE

Strengthening global confidence in responsibly sourced zinc

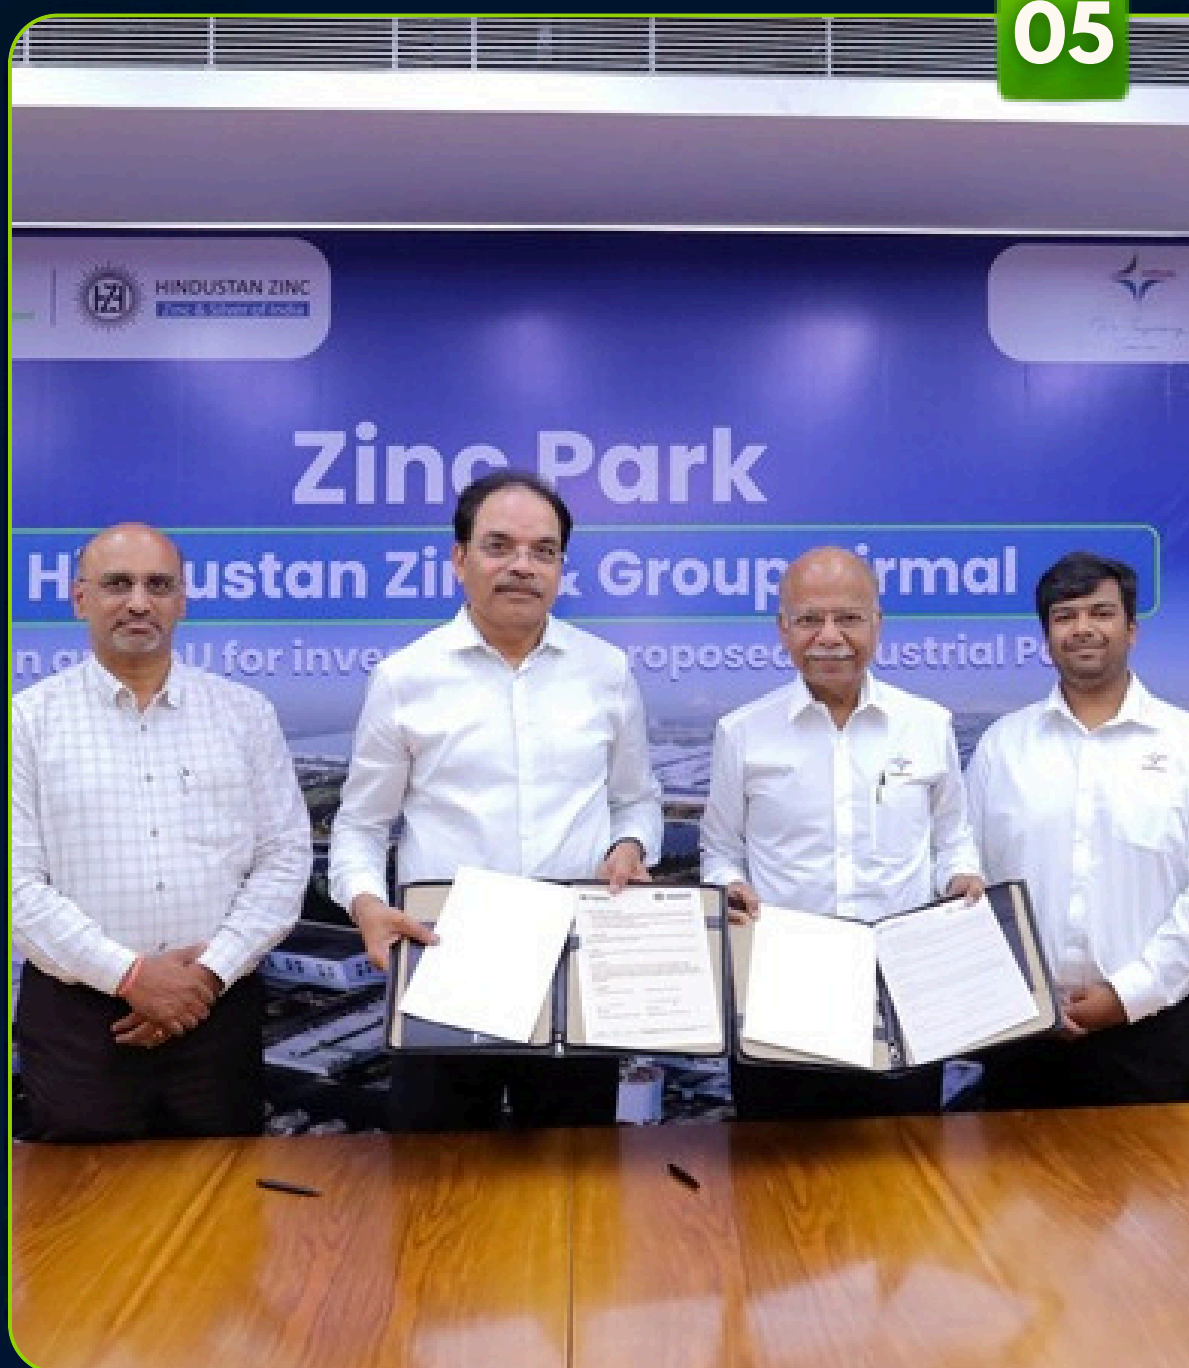

HINDUSTAN ZINC SIGNS MoU WITH GROUP NIRMAL TO SET UP WIRE MANUFACTURING UNIT IN RAJASTHAN

Hindustan Zinc has signed an MoU with Group Nirmal to establish a zinc wire manufacturing facility at its flagship Zinc Industrial Park in Rajasthan.

The facility will manufacture zinc wire using SHG zinc for key sectors like infrastructure, renewable energy, automotive and industrial engineering, improving durability and reliability of critical infrastructure.

HINDUSTAN ZINC STRENGTHENS PRESENCE IN INDIA'S CRITICAL MINERALS ECOSYSTEM

Hindustan Zinc has emerged as the successful bidder for the Jhandawali-Satipura Potash and Halite Block in Rajasthan under the Government of India's critical mineral auction.

The move supports India's resource security and self-reliance goals, strengthens fertiliser security and reduces import dependence. It reinforces Hindustan Zinc's commitment to a stronger, self-reliant India.

LEADERSHIP VISION

Mr. Anil Agarwal

Chairman – Vedanta

Guided by visionary leadership and a shared commitment to innovation, technology and sustainable growth driving **Hindustan Zinc's** future forward.

Ms. Priya Agarwal Hebbar

Chairperson – Hindustan Zinc

• EVENT HIGHLIGHTS •

LEADERSHIP KEYNOTE

Chairman V-Spark, Mr. Akash Hebbar and HZL CEO Mr. Arun Misra inspired the audience with their vision for AI-led industrial transformation.

AI IN ACTION

Showcased cutting-edge AI and automation solutions driving productivity, safety and intelligent operations.

PANEL DISCUSSION

Senior leaders from Microsoft & Accenture shared insights on innovation, digital transformation and scalable industrial solutions.

INNOVATION SHOWCASE

World-class tech demos and startups showcased immersive solutions for the future of industry.

A PLATFORM FOR COLLABORATION & IMPACT

MoU SIGNING & RECOGNITION

Key MoUs signed with technology partners to pilot innovations and drive measurable impact.

FIRESIDE CHAT

Engaging conversation with industry leaders from Google, Accenture and infinite Uptime on innovation, sustainability and the road ahead.

ENGAGEMENT & NETWORKING

Connecting innovators, industry leaders and startups to solve real industrial challenges and unlock measurable value.

ABOUT ZINNOVATION 2026

Hindustan Zinc, in collaboration with V-Spark DeepTech Ventures, hosted Zinnovation 2026, a strategic AI and deep-tech platform designed to accelerate transformation across mining, smelting and manufacturing operations.

The event brought together global technology leaders and emerging innovators to solve real industrial challenges and unlock measurable value through scalable deployment.

The platform reflects Hindustan Zinc's commitment to innovation, operational excellence and responsible growth.

MS. PRIYA AGARWAL HEBBAR

Reinforces our vision of building a smarter, safer and more sustainable industrial future.

Empowers collaboration between industry, startups and technology partners.

Advances AI-led solutions from pilot to enterprise-scale impact.

TOGETHER, WE ARE POWERING
SMARTER, SAFER, SUSTAINABLE OPERATIONS.

Driving innovation today. Building a better tomorrow.
