

HZL emerges preferred bidder for Raj gold block

Hindustan Zinc (HZL) on Friday said it has secured a composite licence for a gold mining block in Rajasthan through the state government auctions. The company said it has been declared the "preferred bidder" for the Dugocha Gold Block, something that has been confirmed by the Department of Mines & Geology, Rajasthan vide notification dated November 15.

"This strategic win marks a significant milestone in Hindustan Zinc's growth journey, solidifying its position as a leading player in the precious metals sector," the release added. Arun Misra, CEO of HZL, stated,
