

Expression of Interest from Service Providers for multiple requirements of HZL

Interested parties having relevant experience can submit expression of interest by email with the following details: Experience details including orders executed with client references, order value, delivery time, company profile financial result for last three years and projection for current year, details of manufacturing facilities and ISO and other credentials

S. No.	Services for Smelter, Mines & CPP	Brief Scope
1	Material Handling works	Complete material handling works- ranges from movement of raw material, work in progress, finished goods, rejected, scraps, packing material, etc
2	Operation & Maintenance (O&M) services for Smelters and Captive Power Plants	Complete Outsourcing of O&M Services (Process, Maintenance, Material Handling etc.) of various Smelters/CPPs of Hindustan Zinc Limited with required tool & tackles, material handling equipments, consumables etc.
3	Operation & Maintenance (O&M) of Solar Power Generation Station/Wind Power Generation	Complete Outsourcing of O&M Services of solar power generation station/ wind power generation of various Smelters/CPPs of Hindustan Zinc Limited with required tool & tackles, material handling equipments, consumables etc.
4	Annual Rate Contract (ARC)for Civil/Structural / Fabrication /Piping/Roof Sheetting/Insulation works	Scope of work shall include deployment of Civil & Structural service provider on Annual Rate Contract basis for day to day plant/colony maintenance services.
5	ARC for Refractory & Acid Brick Maintenance Services	Annual rate contract for refractory & Brick related services
6	O&M for Water Utilities viz ETP, RO, ZLD, WTP, MEE, Cooling Towers, STP etc.	Complete Outsourcing of O&M Services of Water Utilities viz ETP, RO, ZLD, WTP, MEE, Cooling Towers, STP etc.
7	O& M services for Packaging Systems of Metal Ingot and Cathode Bundles.	Complete Outsourcing of O&M Services of Packaging Systems of Metal Ingot and Cathode Bundles.
8	Hiring of Cranes Services (50 MT to 800 MT)	Hiring of Cranes Services (50 MT to 800 MT) on annual and as and when required basis.
9	Facility Management Services including Housekeeping, Catering, Horticulture	Facility Management Services including Housekeeping, Catering, Horticulture in plant and colony area.
10	Staff Transportation viz. Taxi & Bus and Ambulance hiring services	Staff Transportation viz. Taxi & Bus and Ambulance hiring services
11	Workshop Services on Outsourcing model	Workshop Services on Outsourcing model
12	Security Services (Ex Serviceman)	Security Services (Ex Serviceman)
13	Third Party Inspection services and analysis for Bulk Material	Third Party Inspection services and analysis for Bulk incoming Material
14	AMC for Air Conditioning & Cooling Systems	Annual maintenance for Air Conditioning & Cooling Systems
15	O&M of Fire Fighting Station	Complete Outsourcing of O&M Services of firefighting services at various Smelters/CPPs of Hindustan Zinc Limited with required tool & tackles, material handling equipments, consumables etc
16	Structure Painting works	Structure Painting works in Plant and colony area.
17	Scaffolding Services	Scaffolding Services: Tube and coupler scaffold Suspension(or Suspended) scaffold Mobile scaffold Special scaffold
18	Tents, Monsoon Sheds and Prefabricated Structures	Requirement of Tents, Monsoon Sheds and Prefabricated Structures
19	Outsourcing of Occupational Health Centre (Medical & Paramedical staff)	Outsourcing of Occupational Health Centre (Medical & Paramedical staff)
20	Construction/Maintenance of Jarofix Yard/Secured Land Fill Yard	Engineering, Supply & Construction/Maintenance of Jarofix Yard/Secured Land Fill Yard.
21	Logistics Services for Transportation of Concentrate, Coal and Other Bulk Material	Logistics Services for Transportation of Concentrate, Coal and Other Bulk Material
22	Mine Development & Ore Raising	End to End contract for mine development & ore raising across all mining units of HZL
23	Raise Boring	Contract for raise boring for mining units of HZL. Raise boring is used to create a circular vertical or horizontal excavation between two existing levels in an underground mine. It is mostly used for ventilation shafts from the surface to underground
24	Production and Exploratory Drilling	Contract for various types of Production and Exploratory Drilling for Mine development
25	HEMM Operations and Maintenance	HEMM Operations and Maintenance
26	OTR Tyre Management	End to end contract for OTR tyre management
27	Stevedoring services for handling Coal & Metallurgical coke at ports in west coast of India	Stevedoring services for handling Coal & Metallurgical coke at ports in west coast of India
28	O&M of DG Sets	Complete Outsourcing of O&M Services of Diesel generator sets
29	O&M of Zinc Dust Plant	Complete Outsourcing of O&M Services of Zinc Dust Plant at various Smelters of Hindustan Zinc Limited with required tool & tackles, material handling equipments, consumables etc.

30	O & M Contract for Ore Beneficiation, dry tailing plants & Associated activities	Complete operation & maintenance for Ore Beneficiation, dry tailing plants & Associated activities
31	Deployment of Indian/Expats as Rapid Development crew	Deployment of Indian/Expats as Rapid Development crew
32	Miscellaneous Mines services	Various services to support mine services activity e.g civil, electrical, mechanical etc.
33	Borehole for dewatering, Paste Filling, Electrical cable laying etc.	Borehole for dewatering, Paste Filling, Electrical cable laying etc.
34	Ore transportation from mines to mill	Ore transportation from mines to mill
35	O& M of primary crusher including Ore handling and stockpile management	Complete operation & maintenance of primary crusher including Ore handling and stockpile management
36	Tailing shifting & stacking	Contract for Tailing shifting & stacking with required resources
37	Motor rewinding	LT/HT motor rewinding service contract for all locations of HZL, service provider has to arrange for pick up of faulty motors and deliver the repaired motors back to site within stipulated timeline as per contract.
38	Fuels & lubes automation	Automation and integration of Fuels & lubes system & monitoring
39	Maintenance of UG shafts and winders	Complete maintenance of UG shafts and winders
40	PLC designing and installation	PLC designing , installation & service support
41	Consultancy for HSD licencing and PESO approvals	Consultancy for fuel management system - HSD licencing and PESO approvals
42	Environment monitoring and ISO certifications	Environment monitoring and ISO certifications
43	Laboratory operation handling and support services	Laboratory operation handling and support services
44	Periodical NDT & other equipments testing and certification	Periodical NDT & other equipments testing and certification
45	IT & network related supply/ services	Outsourcing of IT & network support service
46	Concentrate loading/unloading at Mines/smelters	Concentrate loading/unloading at Mines/Smelters wherein service provider shall be responsible for loading/unloading activities of zinc/lead concentrate in timely and efficient manner to ensure minimum turn around time for logistics movement.
