The integrated annual report follows the integrated reporting framework of the International Integrated Reporting Council (IIRC), now part of the IFRS Foundation.

Hindustan Zinc, the largest zinc producer in India and second-largest globally, has received top honors for its corporate reporting. The company earned the Platinum Award and global number one ranking in the Materials Category at the League of American Communications Professionals (LACP) Vision Awards 2023-24, both for its Integrated Annual Report and its debut Sustainability Report.

The company's Integrated Annual Report also received the 'Most Creative Report Worldwide' distinction. The report secured platinum award for the second consecutive year. It was ranked among the top five integrated reports globally.

The LACP vision awards recognise outstanding achievements in corporate reporting and communication worldwide. The awards

evaluate reports based on several criteria, including first impression, narrative clarity, creativity, message relevance, information accessibility, and overall design.

The competition included nearly 1,000 global participants.

Sandeep Modi, Chief Financial Officer, Hindustan Zinc Limited, said, "This prestigious recognition underscores Hindustan Zinc's relentless pursuit of excellence in corporate reporting. Our Integrated Annual Report reflects our commitment to transparency, sustainability, and creating long-term value for our stakeholders."

Key highlights

The integrated annual report follows the integrated reporting framework of the International Integrated Reporting Council (IIRC), now part of the IFRS Foundation. This is the company's fifth Integrated Annual Report.

The report highlights a value creation for stakeholders of Rs 33,221 crores in 2023-24. Dividends to shareholders amounted to Rs 5,493 crores. The company's contribution to the exchequer totaled Rs 13,195 crores for FY24.

Hindustan Zinc invested Rs 269 crores in social impact initiatives during FY24. These initiatives reached over 1.9 million people in nearly 3,700 villages.

The company achieved 64 per cent local procurement in Rajasthan and

Uttarakhand during FY24. It also generated 2.51 MGJ of renewable energy.

Hindustan Zinc inaugurated the first phase of a 4,000 KLD zero liquid discharge (ZLD) plant at Zawar Mines. The company is the first Indian metal and mining company with validated Science Based Targets, aiming for net zero emissions by 2050.

The company also launched the first Task Force on Nature-related Financial Disclosures (TNFD) report in India. Additionally, the company received two Indian patents for new methodologies.
