

The World's Most Sustainable Metals & Mining Company

Hindustan Zinc Limited (BSE: HINDZINC and NSE: HINDZINC), a Vedanta Group company, stands as the world's largest zinc producer and is amongst the top 5 silver producers globally. Zinc, the 4th most widely consumed metal finds its primary application in galvanization of steel for corrosion resistance. Our metal is essential in critical industries like steel, infrastructure, automotive and sunrise sectors such as renewable energy, electronics, hi-tech manufacturing, energy storage, defence and electric mobility. We are at the forefront of steering the world towards a sustainable and responsible future.

ABOUT US

Global Presence

 Supplying to over
40 countries

Revenue from Operations (FY25)

 INR **₹34,083 crore**

Market Share

~77% of the primary zinc market in India

OUR ASSETS

- Compact and fully integrated operations providing raw material to customers
- State of the Art R&D facility at Debari, Rajasthan to develop product solutions for emerging applications
- Mining and smelting complexes spread across Rajasthan and Uttarakhand

Smelters & Refineries

1.12 Mt Metal Capacity

Chanderiya Lead-Zinc Smelter:

Largest single-location smelter globally

Dariba Smelting Complex:

Technologically advanced smelter

Pantnagar Metal Plant:

100% green energy being sourced for its operations

Zinc Smelter Debari:

 India's 1st zinc smelter

16.52 Mt Ore Production

Rampura Agucha Mine:

Largest underground zinc-producing mine globally

Rajpura Dariba Mine:

Legacy mine, elevating efficiency and productivity with strategic automation

Sindesar Khurd Mine:

World's second-largest silver producing mine

Zawar Group of Mines:

Mining history spanning over 2500 years

Kayad Mine:

Newest addition to our mining portfolio in 2011

25+ Years of Mine Life

Mines

Our Product Portfolio

SHG (Special High Grade Zinc)

SHG Jumbo Zinc

HZDA5 (Hindustan Zinc Die Casting Alloy 5)

CGG (Continuous Galvanising Grade Jumbo)

Silver Powder

Refined Lead

Mini (1 kg) Silver Bars

HG (High Grade)

Silver Bar (30kg)

PW (Prime Western Zinc)

 EcoZen (Asia's 1st Low Carbon 'Green' Zinc)

HZDA3 (Hindustan Zinc Die Casting Alloy 3)

Certifications

ESG Standards

The world's most sustainable metals & mining company for the second consecutive year by S&P Global Corporate Sustainability Assessment 2024

Certified 3.32 times Water-Positive company

Transforming the lives of nearly 23 lakh people in more than 2,300 villages

Became the first Indian company to join the prestigious International Council on Mining and Metals (ICMM) in 2025
