

Inviting Expression of Interest

Setting up 1 MTPA Smelter facility at Rajasthan

Vedanta is a \$30bn revenue and \$10bn in profit organization and further plans to invest \$20bn in 4-5 years in the expansion of its brownfield and some greenfield capacity of Oil & Gas, Renewable Energy, Display Glass, Semiconductor, mining and smelting. Vedanta is one of the leading players in the market and each of its businesses will have an average of 10,000 highly qualified talent.

Hindustan Zinc Ltd (HZL), a subsidiary of Vedanta Limited in the Zinc-Lead-Silver-Wind Energy business and recognized as the world's most sustainable metals & mining company for the second consecutive year by the S&P Global Corporate Sustainability Assessment 2024, invites expression of interest from EPC organizations of global repute with proven track record in providing end to end solution on turnkey basis to set up 1 MTPA facility (760 KTPA Zinc, 240 KTPA Lead and 800 MT Silver) in Rajasthan. The partner must have experience in engineering, designing, procuring, constructing, testing & commissioning of mega projects in either metals, infrastructure, power transmission & distribution, industrial structures or water & effluent treatment sectors.

Expectations: All end to end activities, including but not limited to the following:

- Provide technology and set up Greenfield facility to house separate zinc and lead smelters along with fumer, roaster, jumbo cell house and all ancillary units (viz. minor metals recovery plant, silver recovery plant).
- Other utility infrastructure for the plant operations like water supply, substations, roads, office buildings, treatment plants etc.

Interested partners having relevant experience and resources may submit their expression of interest on or before 25th January 2025. To submit visit <https://www.hzlindia.com/vendor/> and click on the corresponding link on the open tenders tab.
