MAIN TERMS & CONDITIONS

1. SCOPE OF WORK ---

Transportation of Met Coke and Coke Breeze

Transportation of Met Coke and Coke Breeze by own dedicated fleet of vehicles from Sesa Goa to Chanderia (CSC) and Debari (ZSD) Plants of HZL:

Please quote the rates in Annexure(s) itself.

Details of destination with indicative quantity is mentioned in Annexure B

- i. Contract period will be for a period of two years and extendable by another one year on basis of satisfactory performance and at the discretion of HZL.
- ii. Loading and unloading will be in the scope of HZL.
- iii. It is the responsibility of the Service Provider to provide vehicles which should be in good condition without holes and damaged body in order to ensure that there is no loss in transit. All the vehicles should confirm to our vehicle check list and “No-Go criteria” which is attached as Annexure D, E & F.
- iv. Met Coke and Coke Breeze vehicles should have good quality full length tarpaulin for covering the material after loading. For securing the material, the vehicles should have 40 hooks along with Nut welded on it across all the sides of the vehicles at appropriate height so that sealing can be done which can pass through the hook, Nut and tarpaulin. The sealing will be done by the Agency appointed by HZL.
- v. Service provider shall ensure that Coke is not transshipped from one vehicle to other during transit to avoid loss of material as well as delay in transportation time. However, transshipment is allowed in case of accident for which service provider shall submit sufficient proof. Any transshipment done without prior written permission from receiving unit will result into penalty Rs.10,000/- per vehicle.
- vi. Coke vehicles from Sesa Goa should report at HZL Plants within six days and any delay beyond 6 days will considered as delay in reporting. Such vehicles will be unloaded after proper investigation to check for any quantity shortage or deterioration in quality. In case any variation is observed in quantity or quality, the same will be recovered from the service provider basis actual coal value.
- vii. For transportation of Coke from Sesa Goa to Plant, weight tolerance allowed is maximum **0.50%** on DMT basis and **1% on GCV basis** to be calculated on month average basis. In case of shortage beyond the tolerance limit, deduction will be made on the shortages observed beyond allowed tolerance limit on the basis of actual coal value.

In case shortage is observed on both and DMT and GCV basis, then for recovery purpose “whichever is higher” shortage will be considered.

- viii. HZL will fix GPS devices in all the vehicles moving from Sesa Goa to Plants for which an Agency will be appointed at Sesa Goa who will be assigned the job of fixing the GPS device and track the vehicles on real time basis. In view of this all the vehicles should be of year 2009 make or thereafter and should be compatible for GPS working. Transporter has to ensure that the GPS device remains in working condition and in case it is found that the device has been tampered than suitable penalty will be imposed as decided by HZL.
- ix. Transit Insurance shall be in HZL account and excess clause under insurance policy will be applicable.
- x. Daily/monthly quantities will not remain fixed and will vary depending upon the availability of Coke at Sesa Goa. However advance intimation will be given to make all necessary arrangements.

Common points for all the above transportation jobs

- i. In transit if the duplicate for transporter copy of excise invoice is lost by driver then Service Provider will be penalized Rs.1000/- per invoice and also any loss due to non delivery of excise document will be recovered from the Service Provider. To take CENVAT benefit on loss of Excise Invoice enroute, service provider will be responsible to file and submit the original FIR to the destination Receipt incharge, to process the CENVAT benefit. Till CENVAT benefit is granted to the customer / depot, the amount equal to the CENVAT value will be kept on hold in account of service provider with intimation.
- ii. If the service provider fails to execute the job within a reasonable period or refuses to execute or arrange to execute for any reason, whatsoever, HZL reserves the right to get the job done by any other service providers at the risk and cost of the service provider besides recovery of all losses on this contract through the security deposit by the service provider.
- iii. The vehicle used for transportation of material shall be provided by the service provider and shall have valid registration certificate, road permits and insurance to cover third party risk at all times during the subsistence of the contract. The service provider shall submit the certified copies of all such registration certificates, Road Permits and insurance policies to HZL from time to time and as HZL may require/prescribe. The service provider shall also take photograph of all lorries with driver & cleaner, along with copy of their driving license and required to produce as and when demanded by HZL.
- iv. Service provider shall ensure total compliance of Indian Motor Vehicle Act and amendments thereof as made from time to time. The State Govt. rules under M.V.Act will have to be followed by the transporter. The service provider shall be solely responsible for any breach/es and any damages resulting from such breach/es shall be to service provider's account. HZL shall not be held responsible in manner whatsoever for any such breach/es.
- v. The loading and unloading activities of Coal will be carried out round the clock.
- vi. All vehicles must be fitted with spark arrester.

- vii. Loading will be done as per the RC capacity of the vehicle, strictly no overload allowed.
- viii. HZL reserve the right to award the contract to any party as parallel as partly or fully or contract / tender can be terminated without assigning any reason to it by giving 30 days notice.
- ix. Service Providers have to submit the **Bank Guarantee (BG) for Rs.10 Lacs** as Security Deposit within 15 days on award of contract valid for a period of six months in excess of validity period of the contract.
- x. Service Provider should quote the Freight rate for transportation inclusive of all expenses such as road tax, toll tax, insurance, permit expenses, statutory levies etc. as and where applicable. Service Tax extra as applicable.
- xi. Freight Rate will be firm & fixed till the period of contract. However HZL shall increase/decrease its Basic Freight Rate by 0.30% proportionately for every 1% change in diesel price. Base diesel price shall be declared price of IOCL at respective state capital (Ahmedabad).
- xii. For payment, service provider is required to submit Freight Bills with all relevant documents with proof of delivery once in 10 days to respective Receiving units, for which payment will be released within 15 days after submission of bills after deducting TDS as applicable. However, delay in payment of bill due to any reason will not vitiate other terms of the contract nor will it give any right to the service provider to suspend the work.
- xiii. Service Provider shall ensure total compliance of Indian Motor Vehicle Act, applicable Labour Law and other laws required for carrying out this job including amendments thereof as made from time to time.
- xiv. In case any person is deployed by the service provider inside our Plants including Supervisor or labour, the same will have to undergo safety training. Service provider shall comply in all respect with the provisions of all statutes, rules and regulations applicable to the service provider and/or to the service provider's employees including but not limited to PF act, minimum wages act , ESI Act & Bonus Act & particular the Contract labour (Regulations & Abolition Act,1970) & the rules made there under.
- xv. Service Provider has to ensure that the wages to their employees is distributed by 7th of every month as per the rates decided by HZL from time to time and the PF and ESI are deposited by 20th of every month. In case of deviation, HZL shall impose suitable penalty on the Service Provider.
- xvi. All the persons deployed by the Service Provider inside the Plant should have to strictly follow our safety rules and wear all the necessary PPEs for safe execution of the job which includes safety gadgets like safety shoes, helmets, reflective jackets etc..
- xvii. Service provider shall be responsible to secure compliance with all central and state laws as well as the rules, regulations, bye-laws / notifications and orders of the local authorities and statutory bodies as may be in force from time to time

- xviii. Service Provider will take necessary steps to protect the material from loss, damage or deterioration till it gets delivered to destination. Transporter shall be responsible for all loss, destruction, damage and or deterioration of the material from any cause, whatsoever, while in transit or during handling.
- xix. HZL reserves its right for route identification for to and fro guaranteed load to the extent possible. Also, decision for awarding Contract / Work Order shall be at sole discretion of HZL applying reverse auction / negotiation or both & fitness of the tenderer.
- xx. Details of costing calculation (sample) is provided in annexure D which is also to be filled in along with Annexure A , B & C.
- xxi. HZL reserves the right to carry out periodic/random check of dumpers/tippers/trailers for its fitness and the decision of HZL shall be final and binding on all the parties.
