Udaipur, August 22, 2025 - With only 30 days left for the much-awaited second edition of the Vedanta Zinc City Half Marathon, Hindustan Zinc Limited (BSE: 500188 & NSE: HINDZINC), the world's largest integrated zinc producer, has stepped up preparations to host the event. Scheduled for September 21, 2025 in Udaipur, Rajasthan, the event follows the resounding success of its debut last year and once again invites runners and marathoners from across the globe to experience an unforgettable race along the scenic stretch of Fateh Sagar lake and the Aravali hills.

This year, the Vedanta Zinc City Half Marathon is not just about fitness. It is about community, inclusivity and purpose. Alongside the competitive race, the event will feature the much-loved Race with Champions, where specially-abled children will participate in a dedicated run, celebrating resilience and courage.

Hindustan Zinc is proud to support #RunForZeroHunger by Nandghar, which focuses on combating malnutrition. The marathon becomes a platform where every participant can champion the cause by supporting the marathon while encouraging individuals to lead a healthier and stronger society.

In the lead-up to the marathon, Hindustan Zinc is engaging corporates, NGOs, and running groups through pre-event activities and meet-and-greets, building momentum and encouraging wider participation. By bringing together people from diverse walks of life, the marathon aims to foster meaningful partnerships and expand its impact well beyond race day.

Positioned as India's Most Beautiful Marathon, the route is designed to be a true runner's delight, winding along the shimmering waters of Fateh Sagar, the enchanting Aravali ranges and the cultural charm of Udaipur. Every stride promises not just fitness but an immersive experience of heritage, nature and community spirit.

Vedanta Zinc City Half Marathon is open to all and to register visit <https://www.townscript.com/e/vedanta-zinc-city-half-marathon-2025>.

Arun Misra, CEO of Hindustan Zinc Limited, said, "The Vedanta Zinc City Half Marathon reflects our commitment to building healthier communities while celebrating inclusivity. With only 30 days left, we look forward to welcoming participants from across India to experience Udaipur's rich culture, vibrant charm and the thrill of running in one of the nation's most picturesque destinations."

The Vedanta Zinc City Half Marathon is part of Hindustan Zinc's larger commitment to sports development under its Social Impact vision. Through initiatives like the Zinc Football Academy (AIFF 3-Star Accredited), India's first residential tech-driven girls academy - Zinc Football Girls Academy, and the AIFF Zinc Blue Cubs League - the company is nurturing grassroots talent, creating opportunities for young athletes, including girls and community players, and building strong local sports ecosystems that inspire teamwork, fitness and community progress.

About Hindustan Zinc

Hindustan Zinc Limited (BSE: 500188 and NSE: HINDZINC), a Vedanta Group company, is the world's largest integrated zinc producer and is amongst the top five silver producers globally. The company supplies to more than 40 countries and holds a market share of about 77% of the primary zinc market in India.

Hindustan Zinc has been recognised as the world's most sustainable company in the metals and mining category for the second consecutive year by the S&P Global Corporate Sustainability Assessment 2024, reflecting its operational excellence, innovation and leading ESG practices. The company also became the first Indian company to join the prestigious International Council on Mining & Metals (ICMM) in 2025.

The company also launched EcoZen, Asia's first low carbon "green" zinc brand. Produced using renewable energy, EcoZen has a carbon footprint of less than 1 tonne of carbon equivalent per tonne of zinc produced, about 75% lower than the global average.

Hindustan Zinc is also a certified 3.32 times Water-Positive company and is committed to achieving Net Zero emissions by 2050 or sooner. Transforming the lives of 2.3 million people through its focused social welfare initiatives, Hindustan Zinc is among the Top 10 CSR companies in India. As an energy transition metals company, Hindustan Zinc is pivotal in providing critical metals essential for a sustainable future.
