Pragati Ki Roshni
Hindustan Zinc in the Global Top 5 Ranking of the Dow Jones Sustainability Index 2021

We are extremely delighted to break into the global top 5 list while also retaining the top spot in Asia Pacific in the DJSI 2021 rankings. We recognize this as an opportunity to add more vigor to our ESG journey, set new benchmarks and continue to be recognized as global leaders in sustainable operations.

SAFETY FIRST!
On-Site Meeting of Central Occupational Health & Safety Committee at Zawar Mines

'Zero Harm' is the core philosophy with which we run our operations at Hindustan Zinc. To reinforce the message of safety and devise strategies towards eliminating unsafe act and behavior from underground mines, the 94th meeting of Central Occupational Health and Safety Committee (COHSC) was held onsite at Zawar Mines under the leadership of our CEO - Mr. Arun Misra.

ExCo leaders, Unit heads and SBU Directors along with safety champions in multiple groups engaged all the stakeholders across Zawar. The teams conducted safety interactions and awareness checks, evaluation of site conditions and challenges, validated implementation of recommendations from incidents, conducted FSIPPs as well as learnt and shared best practices for implementation across the organization.
CIRCLE OF QUALITY

Sustainability: Improving our Products, People & Planet

We reiterated our commitment to Total Quality Management as a fundamental pillar in all we do as we joined the world in celebrating November as World Quality Month around the theme 'Sustainability: Improving our products, people and planet'. A series of activities were organized engaging employees and business partners through poster, slogan & logo making competition along with Quality awards to raise awareness and commitment to quality.

The award-winning Quality logo by Mr. Anil Kumar Dewangan from Zawar
COMMUNITY

DIWALI WITH SAKHI CRAFTS

On the occasion of Diwali, Sakhi stalls were put up across units to promote and sell a variety of products like designer diyas, fabric jewellery, men & women’s garments, handicraft items, handmade sweets, etc. These stalls gave an opportunity to the Sakhi self-help groups to connect directly with their customers.

SCIENCE-O-MANIA

In an innovative effort to develop creativity and scientific approach within our Shiksha Sambal students, various models were created by 12 groups of 76 students. The students were mentored and guided by 18 Hindustan Zinc engineers.

WORLD AIDS DAY AWARENESS SESSION

More than 500 people across 15 villages registered their participation in the awareness session conducted through our Mobile Health Vans (MHVs). The health team drove to several villages educating communities on AIDS across Zawar, Debari, Dariba, Chittorgarh, Kayad, and Agucha.
COMMUNITY

ANEMIA HEALTH CAMP AT ZAWAR

44 girls from standard 6th to 8th took part in a health camp to ascertain iron adequacy. A health screening was conducted in which almost 50 percent of girls were found anaemic. IFA (Iron Folic Acid) tablets were provided to them to help improve their haemoglobin levels.

CHANDERIYA EYE CAMP

71 truck drivers benefitted from a one-day eye check-up camp which was organized by Chanderiya Lead Zinc Smelter. This health camp was organized in collaboration with self-help organization Unnati to ensure the wellbeing and safety of the drivers.

UNCHI UDAAN STUDENTS EXPOSURE VISIT TO DSC

Unchi Udaan’s IIT Aspirants visited Dariba Smelter Complex to learn about the manufacturing industry and zinc and lead metal processes from our smelter experts. These 22 students interacted with senior management from DSC and participated sapling plantation.

ZINC NEWS
Zinc Rakshak Security Workshop saw interesting discussions by experts like Mr. Gopal Chaudhary (CSO Tata Steel), Mr. TS Sidhu (Additional Director, IB Jodhpur) on the topics of digitalization, automation and vigilance in security.

Samanvay Workshop - Maintenance Excellence workshop saw 95+ participants from maintenance fraternity across the organisation. The interaction witnessed thought-provoking group discussions and brainstorming sessions along with the senior management.

Kshamata Workshop - Human Resource capability enhancement workshop witnessed participation from HRs of all units with an objective of bringing personal interaction to ensure the wellbeing of employees in a high-performance culture.
Reflections Summit

One day 'Reflections Summit' – All India Channel Partners Meet was organized wherein 11 out of the 13 partners attended the meet. The esteemed channel partners selected through the flagship "Channel Partner Program 2021" reflected and discussed their thoughts with leadership.

The channel partners for the period of FY-22 & FY-23 are –
1. Shree Metal Mujibi
2. Singhania Resources
3. Sri Balaha Chemicals
4. Suvidhi International
5. BT Solders
6. Gavril Metal
7. Hind Commercial
8. Indu Corporation
9. Laxmi Metal Udyog
10. Lezini Metals
11. Mahaveer Metal
12. Navraj Enterprises
13. Pragya International
We observed "No Vehicle Day" by adopting eco-friendly alternatives for transportation on 'National Energy Conservation Day.' All the senior personnel, employees, and staff including the CEO travelled to the offices either on foot, via bicycle, shared rickshaw, public transportation, or through carpooling with their colleagues.

Rallies were held at the company's unit sites to raise awareness, and other activities such as quiz competitions, plant distribution, commitment board signing, and a skit performance was also organised.
Q: What inspires you?
A: I look back at whatever I have achieved be it small, be it big, it required a lot of me, a lot of my energy, a lot of struggles, hardships, tears, failures but at the end, I got it and overcame the challenges. That’s what inspires me.

Q: Which is your favorite leisure activity?
A: Watching CR7 and Lionel Messi’s best goals and go on drive especially on NH4 listening to old classical Marathi and Hindi songs.

Q: What is your mantra for success?
A: I am an ardent follower of CR-7’s success mantra: “I never tried to hide the fact that my only GOAL is to be the BEST.”

Q: One thing you would like to be known for?
A: It is always quality, integrity and inclusive leader aspect where my team grows substantially and gets profound knowledge with fun element.

Q: A message for our readers
A: Believe in your inner strength, integrity and aim for intent-based perfection. I am sure you will achieve the ultimate goal of your life. Risk and Change are part of our life and we have to graciously accept them with an open mind.
Pragati Ki Roshni

Diwali is a festival that illuminates both land and lives, bringing excitement and delight to everyone around. Thousands of people have been rushing from website to website to get exclusive deals on handicrafts, artworks, home décor and appliances. With the Diwali Campaign – ‘Pragati Ki Roshni’, we urged all to make the switch of going local and helping small and independent craftsmen and businesses to prosper on this sacred occasion.

At Hindustan Zinc, we encourage India’s 'Vocal for Local' initiative, and through this campaign, have introduced the philosophy of circulating money in the same economy, which will not only benefit the buyer but also the people and communities surrounding them. Celebrating Diwali with local artisans, merchants and retailers will provide the economy with a much-needed boost after the Covid-19-led disruptions. With this approach, we crafted a short film wherein it makes a heartfelt appeal to the audience to show support for the local businesses in one’s region, thereby creating and providing an opportunity to all to celebrate Diwali equally.
GLOBALLY RANKED IN THE TOP 5 AS WELL AS 1st IN ASIA-PACIFIC BY DOW JONES SUSTAINABILITY INDEX 2021

ECONOMIC TIMES

ZINC NEWS

We need a collective will and a cohesive plan of action to co-create a better, safer and greener future for all.

Decades of indiscriminate harvesting of mineral resources, extensive use of coal and fossil fuels for energy and exponential growth to meet the demands of a growing population have had a profound impact on global climate. With no nation immune from the adverse climatic events, the exacerbation of these effects are now being felt here in India too, as seen in the recent incidents of unprecedented flooding in Kerala and the devastating landslides in Odisha.

India, too, can play a significant role in combating climate change. The economic liberalisation in the 1990s, however, pushed the momentum of progress in IT and technology space, enabling the country to garner enough understanding on the roadmap to several significant goals and action plans to steer our net zero journey and mitigate the catastrophic effects of climate change. In a COP26 breakthrough, India agreed to uneasy 100% renewable energy mix by 2050, thereby working towards tackling the aspirations of climate change. We have committed ourselves to the long-term target to reach Net Zero emission by 2050, in line with the Business Ambition for 1.5 Global Coalition led by the Science-Based Targets Initiative (SBTi) in partnership with the U.N. Global Compact and the "We Mean Business" coalition.

In recent years, our 2050 targets include reduction to 90% renewable energy mix and an ambitious plan to bring investment in clean energy to 5% of the total investment. This is a daunting challenge, but with strong leadership and a commitment to make our energy transition successful, we can achieve our targets.

Hindustan Zinc invites Eols to set up new zinc alloy melting and casting facility

The company invites Eols to set up a new zinc alloy melting and casting facility in Rajasthan.
Dear Employees,
Hope you enjoyed reading the November 2021 edition of Zinc News. We are initiating a different game this time.

FROM THE EDITOR'S DESK

Dear Readers,

The last edition for the year is themed around safety to remind us that all accidents can be avoided. It’s been a tough year on the safety front but our collective commitment to ensuring a safe working environment has only strengthened.

A culture of safety is extremely important and so is that of quality in everything we do. It is this mindset of excellence that has the power to drive our vision of being the world’s largest and most admired Zinc-Lead & Silver Company.

Each one of us can be the catalyst to ensuring 'Pragati Ki Roshni' is spread far and wide by our actions for our people, planet and prosperity

Thank you for all your support throughout the year, I look forward to the same in 2022 too.

Have an ama'zinc' 2022!

Warm Regards,
Dipti Agrawal,
Head - Corporate Communication
